Dear Gloria,

The PPL licence supplied by the Trust gives U3As permission to play recorded music in public as part of their interest/activity groups.

The Third Age Trust has again renewed its PPL license which grants permission for all U3As for the public performance of recorded music within your sites whether that is through a radio, TV, CD, MP3 player etc.

The new license covers the period January 1st to December 31st 2018.

There was not license issued, only the statement above.

Kindest regards

Sharon Ahtuam

Third Age Trust
